New concept for junior Summer Soccer in the Shire:

- **9-a-side format and ½ field size (40x60m).**
- **Age-specific teams aligned to their skill level, (not just their age). Boys U9-U12, girls U10-U12, & mixed teams all welcome. Minimum 10 players per registered team.**
- **Dynamic handicap ranking system of a single ‘all-ages’ competition, ensuring all teams play to & at their ability, for full development potential.**
- **Age group winners based upon overall improvement in team handicap ranking.**
- **Operated by local community club, for the interests of the community.**

Keep your winter team together, and keep playing to prepare for the 2021 winter season. Introduce new players into your team. Or just register as a group of friends.
